

PERTH BASIN BIOZONATION AND STRATIGRAPHY

Inquires and further information about this chart and related products can be obtained from either Dr George C.H. Chaproniere or Dr Robert S. Nicoll. Phone (06 or 61 6) 6249 9111 or e-mail gchapron@agso.gov.au or rnicoll@agso.gov.au

The zonations presented here are from the STRATDAT Oracle database that was developed by Dr Clinton Foster, Lynton Spencer and Bruce Wyatt under the auspices of the Australian Petroleum Systems Project managed by Dr John Bradshaw. STRATDAT is maintained by, and is continuously upgraded by, the AGSO Phanerozoic Timescales Calibration and Development Project Team.

The zonations are plotted directly into MicroStrat 95 design files using a macrolanguage interface linked to STRATDAT. This approach gives great flexibility in layout, ease of correction and accurate translation from the database to the printed product.
