Map Reliability

graphic information checked from satellite imagery, and supplemented using other sources in 1999. map was not field checked and some information may not be accurate.

About the NATMAP Series

ence Australia produces over 500 maps at 1:250 000 scale in this NATMAP series which cover Australia. They are used by professional and recreational users and are available both flat and folded. A corresponding data product, NATMAP TOPO-250K is also available.

Your Feedback is Welcome

*Discover errors or omissions on the map,
let us know via the map amendments page
on our web site or send your annotated map to us.
We will replace your map with the*

*corresponding current edition.
I urge your assistance for the next edition.*

Climatic Graph

and

- The legend consists of 100 entries, each with a label on the left and a corresponding symbol or diagram on the right. The symbols include:

 - 23: A red horizontal bar with two black dots at the ends.
 - sealed: A red horizontal bar with a black cross in the middle.
 - unsealed: A red horizontal bar with a red shaded irregular shape on the right side.
 - /: A red horizontal bar with a black diagonal line from top-left to bottom-right.
 - (red): A solid red horizontal bar.
 - asured): A dashed red horizontal bar.
 - : A red horizontal bar with a black shield-like shape on the left and a black box labeled 'C123' on the right.
 - : A red horizontal bar with a black square on the left and a black square on the right.
 - : A red horizontal bar with a black dotted oval on the left and a black hatched oval on the right.
 - : A red horizontal bar with three black circles containing a minus sign, a plus sign, and an 'H' respectively.
 - ding.: A red horizontal bar with a series of black vertical dashes and a black dot in the center.
 - ! : A red horizontal bar with a black cross on the left and a black arrow pointing right on the right.
 -: A blue wavy horizontal line.
 -: A red horizontal bar with a black square on the left and a black square on the right.
 -: A red horizontal bar with a black square on the left and a black triangle pointing up on the right.
 -: A red horizontal bar with a black square on the left and a black triangle pointing down on the right.
 -: A red horizontal bar with a black square on the left and a black circle on the right.
 - contour: An orange wavy line with a black cross on it.
 - ation: An orange circle with a black cross inside.
 -: A red horizontal bar with a black triangle on the left and a black circle labeled '904' on the right.
 -: A red horizontal bar with a series of black dots.
 - rest: A green horizontal bar with a green hatched section in the middle.
 - nd: A red horizontal bar with a series of black triangles pointing up on the left and a green horizontal bar on the right.
 - dam: A red horizontal bar with a black circle on the left, a black wavy line in the middle, and a black square on the right.
 - plied): A red horizontal bar with a series of black wavy lines.
 -: A red horizontal bar with a black cross on the left and a black starburst pattern on the right.
 - terhole: Two orange irregular shapes representing holes.
 -: A red horizontal bar with a black cross on the left and a black starburst pattern on the right.
 - ive: A red horizontal bar with a black cross on the left and a black starburst pattern on the right.
 - Breakwater: A red horizontal bar with a black cross on the left and a black wavy line on the right.
 - flat: A red horizontal bar with a black Y-shaped symbol on the left and a black dotted wavy line on the right.
 -: A red horizontal bar with a black dash-dot line on the left and a black dash-dot line on the right.
 -: A red horizontal bar with a solid green line on the left and a solid green line on the right.
