(1) Explanation of selection process terms drawn from the Commonwealth Procurement Guidelines (January 2005):

Open Tender: A procurement procedure in which a request for tender is published inviting all businesses that satisfy the conditions for participation to submit tenders.

Select Tender: A procurement procedure in which the procuring agency selects which potential suppliers are invited to submit tenders in accordance with the mandatory procurement procedures.

Direct Sourcing: A procurement process, available only under certain defined circumstances, in which an agency may contact a single potential supplier or suppliers of its choice and for which conditions for direct sourcing apply under the mandatory procurement procedures.

Panel: An arrangement under which a number of suppliers, usually selected through a single procurement process, may each supply property or services to an agency as specified in the panel arrangements.

(2) Justification for decision to use consultancy:

A – skills currently unavailable within agency

B – need for specialised or professional skills

C – need for independent research or assessment
