## **Grants Awarded by Geoscience Australia**

On 9 December 2008, the Minister for Finance and Deregulation the Hon Lindsay Tanner MP, announced the Governments reforms to the administration of grant programs [http://www.financeminister.gov.au/media/2008/mr\\_422008.html](http://www.financeminister.gov.au/media/2008/mr_422008.html) .

The reforms mandate that from 1 January 2009 all agencies are required to publish details of individual grants on their website, no later than 7 working days after a funding agreement is signed by both parties. Details must remain on the website for two years from the date of the signed funding agreement.

The following table contains details of all grants awarded by Geoscience Australia since 1 January 2009.
