

Check Product Availability

Quick Links:

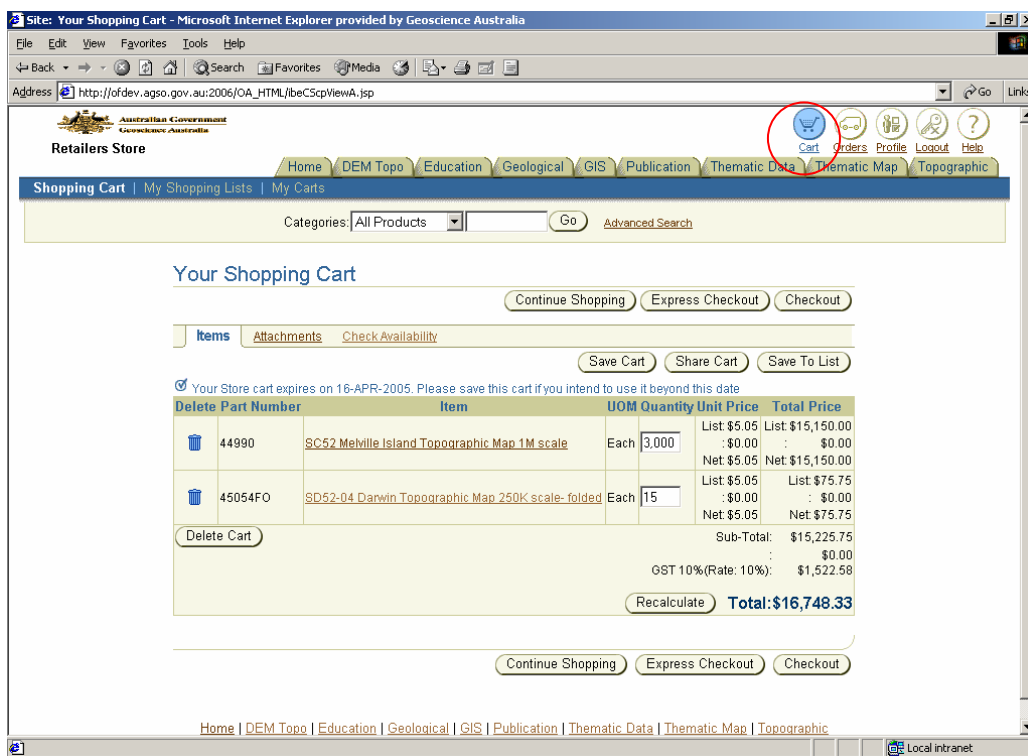

Current Shopping Cart 1
Saved Shopping Carts 3

These notes provide instructions on how check the availability of a product while creating shopping carts using the GA Online Store application. It is intended for the use of Geoscience Australia's wholesale and retail distribution network. This includes the Defence Imagery and Geospatial Organisation.

Current Shopping Cart

Click on the 'Cart' icon in the top right hand corner. This will show the current shopping cart items.

Check Availability

The following alternatives for Availability Information will be displayed:

- *Available* – The quantity of product ordered is available and can be shipped.
- *Quantity NOT available* – The quantity of product ordered is not available. The quantity ordered needs to be adjusted for the shopping cart order to proceed.
- *Not Available* – the product in the quantity ordered is not available, or the quantity ordered is not available at this time.

If there is not enough stock then change the quantity. Back orders are NOT accepted by the system.
