

## Rocks that Shape Australia exhibition text panels: Key reference list

### Banded iron formation (BIF)

Aiyer K (18 February, 2022) '[The Great Oxidation Event: How Cyanobacteria Changed Life](#)' *American Society for Microbiology*, accessed 30 October 2023.

Government of Western Australia Department of Mines, Industry Regulation & Safety (n.d.) '[Stromatolites and other early life](#)', DMIRS website, accessed 30 October 2023.

Schopf JW (2011) '[The paleobiological record of photosynthesis](#)', *Photosynthesis Research*, 107:87–101.

### Broken Hill ore

National Museum of Australia (2023) '[Defining Moments: Founding of BHP](#)', NMA website, accessed 30 October 2023.

BHP (2022) '[Our History](#)', BHP website, accessed 30 October 2023.

Blainey G (2010) '[A brief history of BHP Billiton](#)', *Journal of Australasian Mining History*, 8:23–35.

### Victorian gold ore

Exploring for the Future (20 May 2022) '[Researchers uncover the sweet spot for gold discovery](#)', *Geoscience Australia*, accessed 30 October 2023.

Kirkby A, Czarnota K, Huston DL, Champion DC, Doublier MP, Bedrosian PA, Duan J and Heinson G (2022) '[Lithospheric conductors reveal source regions of convergent margin mineral systems](#)', *Scientific Reports*, 12:8190.

National Museum of Australia (2023) '[Defining Moments: Eureka Stockade](#)', NMA website, accessed 30 October 2023.

National Museum of Australia (2023) '[Defining Moments: Gold rushes](#)', NMA website, accessed 30 October 2023.

### Permian coal

BHP (2022) '[Metallurgical coal: Properties, facts, uses and production](#)', BHP factsheet, accessed 1 November 2023.

Finch M and Finch E (21 February 2022) '[How Australia's geology gave us an abundance of coal – and a wealth of greentech minerals to switch to](#)' *The Conversation*, accessed 30 October 2023.

Geoscience Australia (2022) [Australia's Energy Commodity Resources, 2022 Edition: Coal](#), GA website, accessed 30 October 2023.

Geoscience Australia (2023) [Coal Geology](#), GA website, accessed 30 October 2023.

### Jurassic sandstone

Brodie RS, Lawrie KC and Commander DP (2012) 'Groundwater—lifeblood of the continent' in: Blewett RS (ed) [Shaping a Nation: A Geology of Australia](#), Geoscience Australia and ANU E Press, Canberra.

Department of Climate Change, Energy, the Environment and Water (2022) [Great Artesian Basin](#), DCCEEW website, accessed 1 November 2023.

Queensland Government Department of Environment and Resource Management (2011) [The Great Artesian Basin](#), DERM factsheet, accessed 1 November 2023.

Queensland Government Department of Regional Development, Manufacturing and Water (2023) [Queensland's plan to protect our Great Artesian Basin](#), DRDMW story map, accessed 1 November 2023.

Ransley TR, Radke BM, Feitz AJ, Kellett JR, Owens R, Bell J, Stewart G, Carey H (2015) [Hydrogeological Atlas of the Great Artesian Basin](#), Geoscience Australia, Canberra.

### Cretaceous marine sediment

Bradshaw MT, Borissova I, Edwards DS, Gibson GM, Hashimoto T, Nelson GJ, Rollet N and Totterdell JM (2012) 'Out of Gondwana' in: Blewett RS (ed) [Shaping a Nation: A Geology of Australia](#), Geoscience Australia and ANU E Press, Canberra.

Kear BP (2016) '[Cretaceous marine amniotes of Australia: perspectives on a decade of new research](#)', *Memoirs of Museum Victoria*, 74:17–28.

Motani R (2002) '[Swimming speed estimation of extinct marine reptiles: energetic approach revisited](#)', *Paleobiology* 28(2):251–262.

Musser A (2020) [Dinosaurs - \*Platypterygius longmani\*](#), Australian Museum website, accessed 1 November 2023.

### Cenozoic limestone

Brooke BP, Harris PT, Nichol SL, Sexton J, Arthur WC, Haese RR, Heap AD, Hazelwood MC and Radke LC (2012) 'Living on the edge—waterfront views' in: Blewett RS (ed) [Shaping a Nation: A Geology of Australia](#), Geoscience Australia and ANU E Press, Canberra.

Eldridge M (7 June 2019) '[Recent decades have transformed our understanding of marsupial evolution](#)' *Australian Museum*, accessed 30 October 2023.

Geggel L (4 March 2019) '[Why Are There So Many Marsupials in Australia?](#)' *Live Science*, accessed 30 October 2023.

McSweeney F, Buckeridge J and Kelly M (2019) '[Porifera \(Calcarea: Lithonida\) from the lower Miocene Batesford Limestone, Victoria, Australia, including a new species \*Monoplectronia malonei\* sp. nov.](#)', *The Royal Society of Victoria*, 131:7–17.

## Budj Bim basalt

Bressan, D (13 February 2020) '[Aboriginal Myth Inspired By 37,000-year-old Volcano Could Be The Oldest Story Ever Told](#)' *Forbes*, accessed 30 October 2023.

Matchan EL, Phillips D, Jourdan F and Oostingh K (2020) '[Early human occupation of southeastern Australia: New insights from 40Ar/39Ar dating of young volcanoes](#)', *Geology*, 48(4):390–394.

Gunditjmara and Wettenhall G (2022) *The People of Budj Bim*, 2<sup>nd</sup> edn, em PRESS Publishing, Heywood.

UNESCO World Heritage Convention (2019) '[Budj Bim Cultural Landscape](#)', UNESCO website, accessed 30 October 2023.
